**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is necessary and vital for a healthy capitalistic society. I am a consumer and I choose and support a local provider for business and personal use. Family members use different broadband services for a wide variety of uses - we all support broadband competition, not monopolies.
